SOLD TO THE STANDARD.

The Victor Oil Company, Controlled by E.

L. Rose, Sells Out.
The final arrangements of a big oil deal were consummated in Buffalo, N. Y., Saturday, by which the Victor Oil Company, one of the biggest concerns operating in the Eureka and Sistersville fields, and which is largely owned by Mr. Edward L. Rose, of this city, sold its entire interests to the Standard Oil Company for a cash consideration said to be \$500,000.

Mr. Rose has now disposed of nearly all his interests in Wheeling and West Virginia, and left Friday for Binghamp-ton, N. Y., where he will reside in the future. It is understood that Mr. J. L. Ballard, who has for several years man aged his bicycle and typewriter jobbing business here, will remain with Mr. Rose in his new field. Their many Wheeling friends regret their loss to the business community.

ANOTHER ELECTRIC ROAD.

Martin's Ferry Council to Grant the Franchise. The Martin's Ferry Council met on

Saturday night for the purpose of taking action in the proposed electrical street railway from the upper end/of Martin's

Ferry to the lower end of Bellnire.

Messrs. J. K. Jolly and A. R. Lyde,
two of the crpitalists interested in the project, were present and explained their mission.

Thomas Salisbury, Henry Ganding and James McCaffrey were present on behalf of the labor unions and objected beam of the later unions and objected to the City Council of Martin's Ferry granting right of way to J. K. Death of a Former Wheeling Man.

The Cumberland, Md., Times, contains a notice of the death of J. Smith Johnson, formerly of Wheeling, and says of him:

he deceased was born in Boones rille, No. in 1835, and was consequently 58 years old. He came to this city as the agent for the Adams Express Comforting the Adams of the Helphy pages. For the Adams Sxpress Company, and for a long time faithfully discharged the duties of his office. He resigned this position with the company to engage in the real estate business, and while thus engaged he laid off the different streets and jots in the rear of the Queen City Hotel. He was later successful in the lee business.

KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live bet-ter than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid larative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect lax-ative; effectually cleaning the system dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from

every objectionable substance.

Syrup of Figs is for sale by all druggists in 59c and \$1 bottles, but it is man ufactured by the California Fig, Syrup Co. only, whose name is printed on every package, also the name, Syrup of Pigs, and being well informed, you will no accept any substitute if offered.

SEVERE TREATMENT

Contrasted With the Mild Methods of Drs. Copeland, Eell and Davis.

Old Fashianed Manner of Treating Diseases, Which Are Not Alone Painful, But Are Unnecessary and Unsuccessful and Frequently Very

Every day the merits of the Copeland treatnent are extelled by those who are receiving it and who had experience of the severe and cruel method; practiced by others. Every day ex-clamations are made against the old forms. "My iose was burned out," one will say; another, The nose spray was so severe in its effects that "The nose spray was so severe in its effects that I could not stand it." Another, "The medicines smelled horrbly and I could not take them." Another, "It seemed as if I could not catch my breath after being treated. Another, "When the solution used in the spray dropped on my clothes it burned them." Another, "My who e system was shocked and injured." Another, "The treatment was more terrible than the disease." And so on.

Now, when a mach has catarth he wants to be cared. Ho doesn't want to be treated by loys or students, or mach to sir in a chair with his tech clinched while his nose its burned out or his threat out terrisod. He wants a physician of skill and experience, who knows just what is
